Dear Ms Erlo

We have reviewed your proposal of October 15 for the cleanup of the former Health Club Property east of and adjacent to ~~Elliott Shooting Park~~. We believe the proposal will effectively protect public health, welfare and the environment. Approval of your October 15 proposal will require a letter from the property owner to EPA or from the owner of the Elliott Shooting Park to whom the Consent Order was issued agreeing to implement the provisions of your October 15 letter. Please contact me at 236-2856 if there are any questions.

Sincerely yours,
